

13th REAAA Conference, 2009

7. Intelligent Transportation Systems

Title Of Paper	Author	Country
(7-01) Values of Traffic Information on Variable Message Sign	Kyoung-Ah RHEE	Korea
(7-02) Choosing the best position for installing the surveillance systems	Sadat Hoseini	Iran
(7-03) Digital road map for advanced road and traffic management	Kenjiro Izumi	Japan
(7-04) Data fusion algorithm for improving travel time forecast	Sunghan LIM	Korea
(7-05) Application of Kernel-Based Modules on Fleet Resource Management System to Improve Service Quality for Freight Carriers with Lower Costs	Jan-Ming Su	Taiwan
(7-06) Provision of public transport information toward smarter travel: Case study of Klang Vally and Penang, Malaysia	Syahriah BACHOK	Australia
(7-07) Integrating multimodal travel information at major transport interchanges: The prospective of intelligent public transport information system	Syahriah BACHOK	Australia
(7-08) Field operational test on next-generation road service in Japan	Akira FUJIMOTO	Japan
(7-09) Design of a Reconfigurable Framework on Instant Information Query for advanced Telematics Servicesta	Yung-Kuei Huang	Taiwan
(7-10) Approaches for practical use of the Free Mobility Assistance Project	Michio Ohsumi	Japan
(7-11) Cost-benefit analysis of electronic toll collection(ETC) system in Iranian freeways(Case study: Tehran-Qom freeway)	Abdolreza Rezaee Arjroody	Iran
(7-12) Inherent Weaknesses of Transportation System in Dhaka Metropolitan City and Challenges for Sustainable Development	S.M. Sohel Mahmud	Bangladesh
(7-13) A Development of Preprocessing Models for Toll Collection System Data	Lee Hyun-seok	Korea
(7-14) The Development of Operations Analysis and Supportive Information System (OASIS) for Archived Traffic Data Management on the Freeway	Segil Jeon	Korea
(7-15) A Study of Evaluation Index and Level for Real-Time Bus Arrival Information Reliability	Dongwoo SHIN	Korea
(7-16) A study on the development of the dedicated OBU for the handicapped persons using Hi-Pass system	Young-Moon KIM	Korea

September 23-26, 2009 Songdo ConvensiA, Incheon, Korea
